Reminder: Post Trade Allocations

The purpose of this Market Information Circular (MIC) is to remind members that a change was made in May 2011 to the clearing access window for post trade allocations at ISE.

As of Monday, May 23, 2011, the post-trade window used by members to make clearing changes closes at 5:30 p.m. (ET). This change reflects a close 30 minutes earlier than the former 6:00 p.m. (ET) time in support of an industry initiative to reduce processing times. ISE Market Operations staff is available until 5:30 p.m. (ET) to facilitate any clearing request changes from members.

Please contact ISE Market Operations with any questions at 877-473-9989 or Helpdesk@ISE.com.
