

# NFI RTD

## Pricing Directly into Microsoft® Excel

NFI RTD provides direct access to NFI real-time U.S. Treasuries data. NFI RTD allows raw market data to be pulled into Microsoft® Excel spreadsheets seamlessly and rapidly. Excel's familiarity and ease of use allows market participants to focus on trading strategies rather than costly trading interface development.

### U.S. TREASURIES

Market Data Services					
INSTRUMENT	DEPTH	BID	ASK	BID_SIZE	ASK_SIZE
2 Year usg_02Y		99-24+	99-246	1464	1006
