From: Mark Schepps, Chief Enforcement Counsel, NASDAQ OMX PHLXSM
DATE: February 16, 2010

NASDAQ OMX PHLX No. 10-04 Enforcement No. 2009-29

On February 16, 2010, the Business Conduct Committee (the "Committee") issued a disciplinary decision against SLK-Hull Derivatives, LLC ("SLK"), a former member organization of the Exchange. In response to a Statement of Charges issued in this action, SLK submitted an Offer of Settlement, Stipulation of Facts and Consent to Sanctions ("Offer"). Solely to settle this proceeding, and without either admitting or denying the charges, SLK consented to findings that it violated Exchange Rule 1082 by failing to execute incoming orders for various option series at the disseminated price in an amount up to the disseminated size. SLK's Offer was accepted by the Committee and was the basis of its Decision.

The Committee found that SLK violated Exchange Rule 1082, concurred in the sanctions consented to by it, and ordered the imposition of the following sanctions: (i) a censure and (ii) a fine of \$40,000.
