Liquidity provider ranking is calculated based on shares of NYSE-listed securities executed through the NASDAQ Market Center, BRUT, or INET platforms. Liquidity provider is defined as the market participant whose quote or order is accessed via NASDAQ Market Center, BRUT or INET. The list includes consenting market participants ranked by parent MPID.

The above ranking is provided by NASDAQ's Economic Research Department. For questions please contact NASDAQ Market Sales at 800.846.0477 or sales@nasdaq.com.
