### BACKGROUND INFORMATION ON THE FUNDS

The Metaurus Equity Component Trust (the “Trust”) is a statutory trust formed under the laws of the State of Delaware on September 28, 2016. The U.S. Equity Cumulative Dividends Fund—Series 2027 (“IDIV”) and the U.S. Equity Ex-Dividend Fund—Series 2027 (“XDIV”, and together with IDIV, the “Funds” and each, a “Fund”) are separate series of the Trust. Each Fund is a commodity pool that will issue shares to shareholders representing fractional undivided beneficial interests in, and ownership of, the net assets of the Fund (“Shares”). Shares in each Fund are being separately offered. The Funds are term funds that will terminate on or prior to December 31, 2027. Metaurus Advisors LLC (the Adviser” or “Metaurus” or the “Sponsor”) is the sponsor, commodity pool operator and commodity trading advisor of each Fund.

#### U.S. Equity Cumulative Dividends Fund Series 2027

U.S. Equity Cumulative Dividends Fund Series 2027 (“IDIV”) seeks investment results that, before fees and expenses, correspond to the performance of the Solactive U.S. Cumulative Dividends Index—Series 2027 (the “IDIV Index”).

IDIV seeks to track the Index so as to provide its Shareholders with returns designed to replicate the dividends on constituent companies of the S&P 500 Index (“S&P 500”), without exposure to the underlying securities. The value of the IDIV Index and, therefore, the value of the IDIV shares, will be affected by the ordinary cash dividends that have been paid to date and general expectations in the market regarding the future levels of such dividends.

IDIV expects to pay monthly cash distributions to its Shareholders throughout each calendar year. Such distributions shall, on an annual basis, before fees and expenses, equal all or a substantial portion of the IDIV’s net asset value (“NAV”) attributable to the ordinary cash dividends accumulated

by the S&P 500 Dividend Points Index (Annual) (the “Dividend Points Index”) for the year (as reflected in the current year’s S&P 500 Dividend Futures Contracts (as defined below) held by the IDIV). Assuming short-term interest rates remain at current levels, the Sponsor expects the aggregate monthly distributions paid by the IDIV to equal at least 99 percent of the actual dividend levels recorded by the Dividend Points Index, before fees and expenses. Because an S&P 500 Dividend Futures Contract held by the IDIV expires at the end of each year of the IDIV’s term, the number of S&P 500 Dividend Futures Contracts held by the IDIV will decrease over time. As the years progress, the current S&P 500 Dividend Futures Contract with respect to which distributions are to be made will, therefore, comprise a relatively larger portion of the IDIV’s NAV as compared to prior years. The divergence between the NAV of the IDIV and the level of the Solactive Dividend Index is, therefore, expected to increase, as a percentage of NAV, as the end of the IDIV’s term nears.

IDIV is a commodity pool as defined in the Commodity Exchange Act, as amended (“CEA”), and the applicable regulations of the Commodity Futures Trading Commission (“CFTC”). Neither Fund is an investment company registered under the 1940 Act or is required to register under the Investment Company Act.

### **U.S. Equity Ex-Dividend Fund Series 2027**

The U.S. Equity Ex-Dividend Fund Series 2027 (“XDIV”) seeks investment results that, before fees and expenses, correspond to the performance of the Solactive U.S. Equity Ex-Dividends Index—Series 2027 (the “XDIV Index”) so as to provide its Shareholders with returns that are equivalent to the performance of 0.25 shares of the SPDR S&P 500 ETF (“SPY”) less the value of current and future expected ordinary cash dividends to be paid on the S&P 500 constituent companies over the term of XDIV. SPY is an exchange-traded fund (“ETF”) that seeks to track the S&P 500. XDIV seeks to replicate the performance of SPY through owning long positions in quarterly S&P 500 Index futures contracts traded on the CME (“S&P 500 Index Futures Contracts”) rather than shares of SPY. Additionally, XDIV intends to track the performance of the XDIV Index by selling S&P 500 Dividend Futures Contracts. XDIV will also hold Treasury Securities, cash and/or cash equivalents.

For more information regarding each Fund’s investment strategy, please read the prospectus for the Funds.

As described more fully in the Trust’s prospectus and Statement of Additional Information (“SAI”), the Funds issue and redeem Shares at net asset value (“NAV”) only in large blocks of 50,000 Shares (each block of Shares called a “Creation Unit”). As a practical matter, only broker-dealers or large institutional investors with creation and redemption agreements (called Authorized Participants) can purchase or redeem these Creation Units. Except when aggregated in Creation Units, the Shares may not be redeemed with the Funds.

Shares are held in book-entry form, which means that no Share certificates are issued. The Depository Trust Company or its nominee is the record owner of all outstanding Shares of the Funds and is recognized as the owner of all Shares for all purposes.

The NAV per Share for each Fund is computed by dividing the value of the net assets of the Fund (i.e., the value of its total assets less total liabilities) by the total number of Shares outstanding. Expenses and fees are accrued daily and taken into account for purposes of determining NAV. The NAV of each Fund is determined each business day after the close of trading (ordinarily 4:00 p.m., Eastern Time or

“ET”) of the New York Stock Exchange. Any assets or liabilities denominated in currencies other than the U.S. dollar are converted into U.S. dollars at the current market rates on the date of valuation as quoted by one or more sources.

The registration statement for the Funds describes the various fees and expenses for the Funds’ Shares. For a more complete description of the Funds and the underlying indexes, visit the Funds’ website at [www.metaurus.com](http://www.metaurus.com).

For further information about the Funds, please refer to the registration statement.

In the event that the Funds rely upon an order by the SEC exempting the Shares from certain prospectus delivery requirements under Section 24(d) of the 1940 Act and in the future make available a written product description, NASDAQ Rules 5705 and 5740, BX Equity Rules 4420 and 4421, and PHLX Rule 803 require that members and member organizations, respectively, provide to all purchasers of Shares a written description of the terms and characteristics of such securities, in a form prepared by the Trust for the Funds, no later than the time a confirmation of the first transaction in the Shares is delivered to such purchaser. In addition, members and member organizations shall include such a written description with any sales material relating to the Shares that is provided to customers or the public. Any NASDAQ, BX or PHLX member or member organization carrying an omnibus account for a non-member broker-dealer is required to inform such non-member that execution of an order to purchase Shares for such omnibus account will be deemed to constitute agreement by the non-member to make such written description available to its customers on the same terms as are directly applicable to NASDAQ members, BX members and PHLX members or member organizations under this rule.

## **EXEMPTIVE, INTERPRETIVE AND NO-ACTION RELIEF UNDER FEDERAL SECURITIES REGULATIONS**

The SEC has issued exemptive, interpretive or no-action relief from certain provisions of rules under the Securities Exchange Act of 1934 (the "Act") regarding trading in the above mentioned exchange-traded Funds.

## **REGULATION M EXEMPTIONS**

Generally, Rules 101 and 102 of Regulation M prohibit any "distribution participant" and its "affiliated purchasers" from bidding for, purchasing, or attempting to induce any person to bid for or

purchase any security which is the subject of a distribution until after the applicable restricted period, except as specifically permitted in Regulation M. The provisions of the Rules apply to underwriters, prospective underwriters, brokers, dealers, and other persons who have agreed to participate or are participating in a distribution of securities.

The SEC has granted an exemption from Rule 101 under Regulation M to permit persons participating in a distribution of shares of the above-mentioned Funds to engage in secondary market transactions in such shares during their participation in such a distribution. In addition, the SEC has granted relief under Regulation M to permit persons who may be deemed to be participating in the distribution of Shares of the above-mentioned Funds (i) to purchase securities for the purpose of purchasing Creation Unit Aggregations of Fund Shares and (ii) to tender securities for redemption in Creation Unit Aggregations. Further, the SEC has clarified that the tender of Fund Shares to the Funds for redemption does not constitute a bid for or purchase of any of the Funds' securities during the restricted period of Rule 101. The SEC has also granted an exemption pursuant to paragraph (e) of Rule 102 under Regulation M to allow the redemption of Fund Shares in Creation Unit Aggregations during the continuous offering of Shares.

#### **CUSTOMER CONFIRMATIONS FOR CREATION OR REDEMPTION OF FUND SHARES (SEC RULE 10B-10)**

Broker-dealers who handle purchases or redemptions of Fund Shares in Creation Unit size for customers will be permitted to provide such customers with a statement of the number of Creation Unit Aggregations created or redeemed without providing a statement of the identity, number and price of shares of the individual securities tendered to a Fund for purposes of purchasing Creation Unit Aggregations ("Deposit Securities") or the identity, number and price of shares to be delivered by the Trust for the Fund to the redeeming holder ("Redemption Securities"). The composition of the securities required to be tendered to the Fund for creation purposes and of the securities to be delivered on redemption will be disseminated each business day and will be applicable to requests for creations or redemption, as the case may be, on that day. This exemptive relief under Rule 10b-10 with respect to creations and redemptions is subject to the following conditions:

- 1) Confirmations to customers engaging in creations or redemptions must state that all information required by Rule 10b-10 will be provided upon request;
- 2) Any such request by a customer for information required by Rule 10b-10 will be filed in a timely manner, in accordance with Rule 10b-10(c);
- 3) Except for the identity, number and price of shares of the component securities of the Deposit Securities and Redemption Securities, as described above, confirmations to customers must disclose all other information required by Rule 10b-10(a).

#### **SEC RULE 14E-5**

An exemption from Rule 14e-5 has been granted to permit any person acting as a dealer-manager of a tender offer for a component security of a Fund (1) to redeem Fund Shares in Creation Unit Aggregations from the issuer that may include a security subject to such tender offer and (2) to purchase Fund Shares during such tender offer. In addition, a no-action position has been taken under Rule 14e-5 if a broker-dealer acting as a dealer-manager of a tender offer for a security of a

Fund purchases or arranges to purchase such securities in the secondary market for the purpose of tendering such securities to purchase one or more Creation Unit Aggregations of Shares, if made in conformance with the following:

- 1) such bids or purchases are effected in the ordinary course of business, in connection with a basket of 20 or more securities in which any security that is the subject of a distribution, or any reference security, does not comprise more than 5% of the value of the basket purchased; or
- 2) purchases are effected as adjustments to such basket in the ordinary course of business as a result of a change in the composition of the underlying index; and
- 3) such bids or purchases are not effected for the purpose of facilitating such tender offer.

#### **Section 11(d)(1); SEC Rules 11d1-1 and 11d1-2**

Section 11(d)(1) of the Act generally prohibits a person who is both a broker and a dealer from effecting any transaction in which the broker-dealer extends credit to a customer on any security which was part of a new issue in the distribution of which he participated as a member of a selling syndicate or group within thirty days prior to such transaction. The SEC has clarified that Section 11(d)(1) does not apply to broker-dealers that are not Authorized Participants (and, therefore, do not create Creation Unit Aggregations) that engage in both proprietary and customer transactions in Shares of the Fund in the secondary market, and for broker-dealer Authorized Participants that engage in creations of Creation Unit Aggregations. This relief is subject to specific conditions, including the condition that such broker-dealer (whether or not an Authorized Participant) does not, directly or indirectly, receive from the fund complex any payment, compensation or other economic incentive to promote or sell the Shares of a Fund to persons outside the fund complex, other than non-cash compensation permitted under NASD Rule 2830(l)(5)(A), (B) or (C). (See [letter](#) from Catherine McGuire, Chief Counsel, SEC Division of Market Regulation, to Securities Industry Association, Derivative Products Committee, dated November 21, 2005.) The SEC also has taken a no-action position under Section 11(d)(1) of the Act that broker-dealers may treat Shares of a Fund, for purposes of Rule 11d1-2, as "securities issued by a registered open-end investment company as defined in the Investment Company Act" and thereby extend credit or maintain or arrange for the extension or maintenance of credit on Shares that have been owned by the persons to whom credit is provided for more than 30 days, in reliance on the exemption contained in the rule.

#### **SEC RULE 15C1-5 AND 15C1-6**

The SEC has taken a no-action position with respect to Rule 15c1-5 and Rule 15c1-6 as to the required disclosure of control by a broker or dealer with respect to creations and redemptions of Fund Shares and secondary market transactions therein. (See [letter](#) from Catherine McGuire, Chief Counsel, SEC Division of Market Regulation, to Securities Industry Association, Derivative Products Committee, dated November 21, 2005.)
