- (1) The This test option is only applicable to order entry equity ports.
- (2) The automatic cancel feature is offered through FIX, RASHport and OUCH implementation. You understand that Nasdaq provides a best effort attempt to cancel orders upon disconnection. In the event your connection is disconnected, nevertheless, you are required to call the Nasdaq Trade Desk at +1 212 231 5100 to status orders. There is no guarantee that the automatic cancel feature provided by Nasdaq will be error free or operate without interruption. By signing below, you agree and acknowledge that Nasdaq is not liable or responsible in any way for any orders, which may fail to be cancelled using the automatic cancel feature.
- (3) Please refer to <http://Nasdaqtrader.com/Trader.aspx?id=PriceListTrading2> for the latest price list.
- (4) NASDAQ PHLX LLC Rule 1094 and The NASDAQ Stock Market LLC and NASDAQ BX, Inc. Rules 4615 allow market participants to enter into sponsored access relationships. Sponsored Access is defined in these rules as an arrangement whereby a member, member organization or Participant permits its customers to enter orders into the exchange's trading system that bypass the member's, member organization's or Participant's trading system and are routed directly to the exchange, including routing through a service bureau or other third party technology provider. If you have a sponsored access arrangement, you are required to disclose that relationship by sending an email to membership@nasdaq.com. Please indicate the party that is being sponsored by your firm and on which market. This information is utilized for both regulatory and operational information in granting access to these markets.

All services and products requested on this form are governed by the terms in the Nasdaq U.S. Services agreement http://www.Nasdaqtrader.com/content/AdministrationSupport/AgreementsTrading/Nasdaq_access_agreement.pdf and the Nasdaq Transaction Services Policies <http://www.Nasdaqtrader.com/Content/AdministrationSupport/AgreementsTrading/NTSPolicies.pdf> document. If you do not receive a written confirmation from Nasdaq within 3 business days that your request has been received and processed, please contact Nasdaq Subscriber Services at 212 231 5180 or subscriber@Nasdaq.com.

Please be advised that beginning on January 2, 2013, all new port requests from subscribers must be received no later than 3:00PM EST to guarantee processing for the next trading day. In the event that Nasdaq receives a request after 3:00PM EST, every effort will be made by Subscriber Services to process the request for the next day, but delivery will not be guaranteed. In all cases, Subscriber Services will respond promptly with an estimated date of completion.
